

Sustainable Development at Thomson Reuters

Partnering for **Impact**

ENTERPRISE PRODUCT LISTING

Thomson Reuters products and partnerships that support the United Nations Sustainable Development Goals and create a positive impact.

How is Thomson Reuters supporting Sustainable Development through its own products and partnerships?

The following demonstrates how we are creating a social impact and aligning to the United Nations Sustainable Development Goals through a number of our own products and thought leadership.

End poverty in all its forms everywhere

[ALERTNET BY THE THOMSON REUTERS FOUNDATION](#)

AlertNet is a free humanitarian news service run by Thomson Reuters Foundation covering crises worldwide.

[PLACE BY THE THOMSON REUTERS FOUNDATION](#)

Reporting that explores the complex social, economic and political effects of inadequate land rights – from environmental sustainability and food insecurity to the potential for conflict and war.

[ZILIENT.ORG WITH THE THOMSON REUTERS FOUNDATION](#)

An online platform building a global network of people interested in resilience, in partnership with the Rockefeller Foundation.

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

[9 BILLION BOWLS REPORT](#)

Thought leadership report on how data is the solution to food insecurity.

By 2050 there will be 9 billion people on the planet, but with food resources struggling to provide the needed nutrition, alternatives need to be sought to feed the world's population.

[THOMSON REUTERS AUMENTUM OPENTITLE](#)

Product within our Tax & Accounting suite.

Partnering with communities across the world to offer a sustainable solution to increase efficiency and transparency on land rights security. By increasing transparency around access and ownership to land, and by providing solutions to maintain clear ownership rights individuals are able to invest in their own agricultural solutions and businesses, creating opportunities in rural communities.

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

[THOMSON REUTERS LABS](#)

Thomson Reuters Labs™ in Baar, Waterloo, and Boston collaborate with customers to solve big problems and rapidly prototype and validate solutions using data science and lean techniques. Working with external partners, Thomson Reuters Labs are active members of regional innovation ecosystems, delivering world-class solutions for customers.

[STEM SKILLS FOR THE NEXT GENERATION](#)

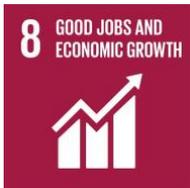

Thomson Reuters partners with [Girls Make Games](#) and [CoderDojo](#) to host events in our offices worldwide promoting opportunities for coding, STEM skills and innovation in our next generation of innovators.

Achieve gender equality and empower all women and girls

Ensure access to affordable, reliable, sustainable and modern energy for all

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

TRUST CONFERENCE BY THOMSON REUTERS FOUNDATION

Trust Conference is committed to finding real solutions to empower women and to fight slavery worldwide. The annual event brings together global corporations, lawyers, government representatives, and pioneers in the field of women's rights and anti-slavery.

PLACE BY THOMSON REUTERS FOUNDATION

Reporting that explores the complex social, economic and political effects of inadequate land rights – including women's empowerment through land rights solutions.

POWERING THE PLANET 2045

An enterprise thought leadership piece offering expert perspectives and business insights on how Earth will be powered in the next 10 – 30 years. What will be the main sources of electricity as global leaders adjust to government mandates and goals? And how will this impact business growth?

GREEN HOUSE GAS EMISSIONS AND DECARBONIZATION REPORTS

A report that analyzes key trends in top 250 global corporations responsible for 1/3 of annual GHG anthropogenic emissions.

ONESOURCE NONRESIDENT ALIEN TAXATION

Tax and Accounting product that offers non-profit organizations and corporations access to updated information regarding nonresident alien taxation regulations to help clients stay ahead of the changes.

THOMSON INNOVATION

Brings together the world's most comprehensive international patent coverage and the industry's powerful intellectual property analysis tools to create an inclusive and sustainable industrial and innovation development.

REUTERS BUSINESS REPORT

Delivers fast and inclusive coverage of global business and finance to worldwide media operations. This product also maintains a unique cross-industry perspective to deliver insightful facts.

Reduce inequality within and among countries

ALERTNET BY THE THOMSON REUTERS FOUNDATION

Sharing news, stories and updates on major global events and issues. Many of these stories are not reported widely in mainstream news, raising awareness of the equality gap and struggles of many global citizens.

REUTERS AFRICA

Available via Reuters World News Express and Reuters Media Express, this product is the only truly pan-African news broadcast, delivering insightful and accurate reporting.

REUTERS WORLD NEWS SERVICE

Complete video coverage of international news

REUTERS WIDER IMAGE

A platform to disperse in-depth visual reports from across the world written and edited by Reuters. The product boasts awards for innovation, photojournalism, and design.

Make cities and human settlements inclusive, safe, resilient and sustainable

THOMSON REUTERS AUMENTUM OPENTITLE

Partnering with communities across the world to offer a sustainable solution to increase efficiency and transparency on land rights security.

PLACE BY THOMSON REUTERS FOUNDATION

Reporting that explores the complex social, economic and political effects of inadequate land rights – from environmental sustainability and food insecurity to the potential for conflict and war.

Ensure sustainable consumption and production patterns
